

Your specialists

Are you looking for a sparring partner that pursues a clear, transparent and consistent investment philosophy rather than leaving the success of your investments to chance? We focus squarely on you and your objectives at all times. Let us work together to secure a sustainable and successful investment solution for you.

Executive Board

Heinz Zimmermann

CEO
heinz.zimmermann@ifsag.ch

„We foster long-term client relationships through continuity in our service.“

Heinz Zimmermann has been working for IFS Ltd. in various functions since 2004. The first years he was a member of the portfolio management team before he took over its leadership in early 2008. At the end of 2010 he joined the Executive Board and took over the functions of CIO and COO. In mid 2020 he took over the management of IFS Ltd. as CEO. Heinz Zimmermann has been working in the financial industry for nearly 30 years. In addition to supporting and expanding the existing customer structure, he is responsible for the expansion of the service offering and the development of IFS Ltd.'s investment solutions.

Mario Almer

Member of the Executive Board
mario.almer@ifsag.ch

„Our independence means we can offer you bespoke solutions.“

Mario Almer (lic. oec. HSG) is responsible at IFS Ltd. for the comprehensive consulting of institutional clients as well as the area of asset management & solutions. Prior to this, he worked for more than eight years as Head of Investment Consulting and Member of the Executive Board at Complementa Ltd., advising well-known pension funds, foundations and family offices in Switzerland and neighbouring countries. Prior to that, he worked for several years in management positions and as a project manager at Credit Suisse and in management consulting. Mario Almer has more than 20 years of experience in the financial industry.

Marc Walthard

Member of the Executive Board
marc.walthard@ifsag.ch

„The volatile financial markets compel us to keep a close eye on your investments at all times.“

Marc Walthard is responsible for the private client business and the Active Advisory at IFS Ltd. Prior to this, he worked in various trading departments at Credit Suisse and UBS and in active advisory at UBS, having launched his career at a US commodities trader. Marc Walthard has many years' experience in looking after client portfolios in all asset classes and holds several international trading licences. Marc Walthard has nearly 20 years of experience in the financial industry and holds a Bachelor of Science in Business Administration (BSc) FH in Banking and Finance.

Team

Michael Rüegg

CIO Active Advisory
michael.rueegg@ifsag.ch

**„It's not just about seizing opportunities;
you also need to know your risks.“**

Michael Rüegg oversees strategic investment decisions in Active Advisory. He has over ten years' experience in Advisory and Portfolio Management. Michael Rüegg was most recently Deputy CIO at Lienhardt & Partners Private Bank Zurich, where he was jointly responsible for the investment strategy and managed the assets of high-net-worth individuals and pension funds. He studied banking and finance at the HFBF and is a Certified International Investment Analyst (CIIA).
